

CAREER READY

- Challenge and opportunity

Keith Marshall

Careers New Zealand

THE GOOD NEWS

There is some certainty around work expectations

- Able
- Willing to work hard
- Rewarding to work with

A STRATEGY

- Continue to align with industry needs
- Point of difference - your reputation for having the best students that are job ready
- Build educational systems, processes, curriculum and staff to reflect today's realities
- Most importantly contribute to student's career management competencies (and by doing so....also address employability skills expectations)
