<b>1. Quality of speaker(s) you viewed</b>	34%	34%	16%			<p><i>A great range ....</i></p> <p><i>Variable from excellent to disappointing</i></p> <p><i>I would have liked the speakers to have had more time. Often their presentations was at a superficial level and having more time would have allowed more depth to the amazing things they were doing. Q&amp;A would also have been helpful</i></p> <p><i>A good variety of speakers with different perspectives in change and what was meant to them</i></p>
<b>2. Balance of input/discussion</b>	16%	34%	34%	16%		<p><i>There is scope to develop what came up in breakouts and lead into forward thinking discussion</i></p> <p><i>A few sessions with one or two people dominating the discussion – always hard to control on zoom</i></p>
<b>2. Quality of Zoom hosting and mcing</b>	34%	66%				<i>There are lots of room to expand and excel here....increased interaction as speaker talks...asking audience often to comment in side bar.....polls.....</i>
<b>3. User friendliness of Zoom Meetings platform</b>	66%	34%				<i>...all worked well my end.....zoom has more tools you could use.....</i>
<b>4. Level of engagement in Zoom small group conversations</b>	16%	34%	34%			<i>In my groups it was great.....i like the idea of reporting back so whole group led in what's to take away</i>

<b>6. Scheduling of ELF20: time of year, week and day</b>	34%	34%		16%		<i>Very tricky this one! I think the platform was great and the timing worked well but there was a marked drop off in the school holiday sessions I feel.</i>
<b>7. Having 5 X weekly 90 minute sessions, not a full day or 2 day online event</b>	34%	34%		16%		<p><i>I think I might go for 2 half days.....</i></p> <p><i>I personally prefer this but the engagement may have been variable?</i></p> <p><i>Good to be able to break this up and absorb each session as we go and not have 2 days and coming out looking like a deer in headlights</i></p>
<b>8. Our communication before and during ELF20 series</b>	66%	16%				<i>Was great from my end and what I saw you post and share ...on to it!!</i>
<b>9. Overall, how would you rate Virtual ELF20?</b>	34%	50%		16%		<i>*I thoroughly enjoyed the sessions I saw and the conversations that they provided. A great experience and one I would recommend to others. Thank you for the organisation and thanks to the presenters too.</i>

						<i>I was under the impression that the focus was to be on change management. However this did not seem to be the case. Although some of the sessions were interesting and had some valuable learning, they did not cover what I was expecting.</i>
